We would like to extend gratitude for all the support you have offered in the past to Central Elementary School's students and staff. We realize it is because of you we are able continue with our mission to serve and educate our students with excellence. We are reaching out to you with a request for assistance. With the flu and illness season, some of our classrooms have been affected by a significant amount of illness, and we know we will continue to see this pattern rise among other classrooms. We are attempting to increase our handwashing opportunities, making these procedures available in the classroom. This will help serve as a constant reminder the importance of good hand hygiene, as well as allow them access to frequent handwashing, without leaving the classroom and missing instruction. All of our classrooms have a sink, but we are in need of liquid soap and paper towels in order for students to wash their hands effectively. We would appreciate if you are able to donate some of these supplies:

- Dial Liquid Soap (Individual and Refills)
- Soft Soap Liquid Soap (Individual and Refills)
- Paper Towel Rolls

We appreciate any assistance and donations you may be able to offer. Thanking you in advance for all you do to help keep our children healthy and ready to learn.

Sincerely,

Central Elementary School Administration, Staff, and Students
