March 17, 2020

Dear Beaumont USD Parents/Guardians,

Due to the continued concern surrounding coronavirus (COVID-19), the Riverside County Public Health Officer has extended school closures through April 30, 2020. This order supersedes the mandate issued on Friday, March 13, 2020, for all Riverside County schools to be closed until April 5, 2020.

This closure includes all extra-curricular activities, sports, after school programs, and district-sponsored events during this time. Schools will not be open for any purpose during this time.

Meal Service Program

During the District's closure (March 16 - April 30), Nutrition Services will provide breakfast and lunch meals free of charge to children 18 years of age and under. Breakfast and lunch will be served from 11:00 a.m. - 1:00 p.m., Monday through Friday, March 16 - April 30, at the following school locations:

Starlight Elementary School, 1510 Cougar Way
Three Rings Ranch Elementary School, 1040 Claiborne
Palm Innovation Academy, 751 Palm Ave.
Beaumont High School, 39139 Cherry Valley Blvd.

Meals will be served through a drive/walk-thru type of service. For those driving, we ask that you stay in your vehicle while bagged meals are provided for each child present.

Student Instructional Time

The state is waiving the requirements for instructional days and minutes, inclusive of Special Education Services, during the school closures that are in response to coronavirus (COVID-19). What this means is that schools will pick up where "they left off" once schools are allowed to reopen. Your child's educational status and/or graduation status will not be affected by the ordered closure of our schools. State and Federal testing has also been postponed.

Learning Enrichment Resources Online

To support our students, Beaumont Unified is providing [learning enrichment resources](#) on our website for students to review and enrich knowledge and skills learned this year. Students and families are not required to use these resources but are welcome to do so.
