

Dear Parents and Guardians,

The Brentwood Elementary School 5th and 6th grade holiday program, "Holiday Road Trip," will be held at the Northwood Gymnasium on Wednesday, December 19th 2018 at 7:00 pm. The program will last roughly 45 minutes. *(All students will be meeting in the cafeteria/commons 15 minutes prior to the program at their teacher's marked table. Students should not be away from their families or in the halls unattended. After the program students will return to the cafeteria tables for parent pick-up.)*

Students may wear nice holiday clothing of their choice for this program. If your student has been chosen for a speaking part they will come home with papers to practice. The words do not have to be memorized, but please work with your student so they are comfortable with speaking the words into a microphone.

Thank you for all your help and support as we put together another fun holiday program.

Thank you!

Laura Bennett
