How to Apply Online

DVFriends utilizes an online application.
This guide will help you through the steps and to make sure we have everything we need to process your student's application.

1. Visit dvfriends.org/applyonline
2. Select Apply Now Create an Account to start your application
3. Select Begin Admissions Process
   - Complete the contact pages of the application and information.
   - Submit the application fee. If this presents a hardship, please contact us.
   - Select Submit Application
4. Select Back to Parent Portal Continue Admissions Process
5. Refer to the checklist below to provide all required information.
   - Application Information Form
   - Parent Questionnaire
   - Student Questionnaire
   - Authorization for Request of Information Form
   - School Records Request Form
   - Teacher Evaluation Form
   - Psycho-Educational Evaluation (completed within the last two years)

After submitting your application: Check the status at any time by selecting the Apply Now button to login with your email and password.
