March 27, 2020

Dear Secaucus School District Families,

Today, March 27, 2020, Mayor Gonnelli and Superintendent Montesano, as a team with the COVID-19 Secaucus task force, have decided that the Secaucus School District will remain closed and continue to use the District’s Distance Learning Plan through, at least, Friday, April 17th. At that point we will receive further guidance from Governor Murphy, which will allow us to make clearer decisions. Although this situation presents challenges for many, these decisions are made to ensure the safety and wellness of our students and the community. As always, our administration, faculty and staff will continue to keep our community informed during this next cycle of school closings. We understand that this is a difficult time for everyone and we will continue to do our best to address everyone’s overall needs.

During this time we will close virtual instruction (school) for our regularly scheduled Spring Break (April 10-17) and we will also use our two (2) snow days as well. The schedule will look as follows:

April 3 we will be closed; no virtual learning (snow day #1)
April 9 we will be closed; no virtual learning (snow day #2)
April 10-17 school is closed for Spring Break

*As we continue to monitor this situation, if additional changes to the calendar are needed, we will notify you.*

During this time we ask that you keep our health professionals, Health Department, Office of Emergency Management, first responders, faculty, staff, administration, Board of Education, and the Mayor and Town Council in your thoughts as they work on the front lines of this pandemic.

Be safe everyone,

Jennifer Montesano

Jennifer Montesano  
Superintendent of Secaucus Schools
