

Free Breakfast and Lunch for All North Adams Public School Students

We are pleased and excited to inform you that the North Adams Public School District will continue to implement the Community Eligibility Provision (CEP) under the National School Lunch and School Breakfast Programs for the 2019—2020 school year. What this means is that through CEP **ALL** NAPS students will continue to be eligible for one school breakfast and lunch daily at **NO COST**. **This also means that no Free and Reduced Lunch Application will be required!!**

We are writing to share this information with you and to ask that you help us to ensure our meal program is a success by having your child participate in school breakfast and lunch everyday. Why? Because an emerging body of research has documented that eating breakfast at school helps improve a child's academic performance, student behavior and improve nutrition while decreasing a risk of obesity. Participating in both breakfast and lunch at school provides nutritious food for your children so they can concentrate better and learn more while saving you time and money at home.

We hope you will continue to participate in the NAPS school community in supporting this exciting lunch program!!

If you have questions, please contact Cory Nicholas, Food Service Director at 413 776-1631.

If you should need an account refund your request should be in writing to the attention of the Food Service Department, 10 Main Street, Second Floor, North Adams, MA 01247
