5. Bid prices are to be held for six (6) months from **January 1, 2017 through June 30, 2017.**
6. **Line Item vs. All or Nothing Bid Award:** Nampa School District, Nutrition Services Department bids are “line item” bids. The Nampa School District reserves the right to award “all or nothing” bids that are deemed to be in the best interest of the school district.
7. The Board of Trustees reserves the right to accept or reject any and/or all bids and waive any formality that is deemed to be in the best interest of the school district.
8. Bids prices are to be based on a delivered price to the building listed on the purchase order. Bidder will assume all responsibility in making necessary adjustments with freight companies or in replacing any materials damaged in transit, to the satisfaction of purchaser.

12. The quantities shown in this bid request represent best estimates of the various food products required to support the District's Child Nutrition Program. The quantities to be purchased may vary depending upon internal changes, including but not limited to USDA commodity availability, student participation, and opportunity purchases.

13. Nampa School District No. 131 does not assume or accept responsibility to purchase the total quantities listed. The District reserves the right to purchase "**more or less**" for the specified deliveries.

14. **Addition of New Products After Contract Award:** Subsequent to the award of contracts, new items may be added to purchasing agreements, either at the request of a vendor or the district. Vendors may propose the inclusion of additional, "new" products only if such product is not already included in the same or similar form in the original bid item listing. Items new to a particular vendor but included in same or similar form will not be considered a new product under this clause, and will not be considered for addition to the purchasing agreement. New items proposed by any vendor will be subject to competitive bidding rules and other contract terms applicable to the category in which the new product is classified.

Should District opt to add items to its purchase contracts that were not included in the original bid listing, such items will be subject to competitive bidding rules. The contract terms of the bidding category in which the item would be classified will apply.

District will screen new products prior to conducting any price solicitation, and reserves the right to accept or reject any new product proposed.

16. Failure to deliver a specified quantity of product by the specified date requested may result in a late penalty of \$150.00 charge per day. Any insufficient quantities or items requiring additional lead time require notification and approval of the warehouse manager no less than

48 hours prior to the delivery date. **Failure to give notification may result in a late penalty. Late penalties will be deducted from subsequent invoices.**

17. The awarded vendor must give sufficient notification upon receipt of the requisition, and special arrangements must be made with the warehouse manager for items requiring extended lead time or a delayed delivery date. **Failure to make these arrangements may result in an additional charge.** Any price difference between the awarded bid price and the market purchase price on such items will be charged back to the awarded vendor.
