All vehicles parking on the JCHS Campus must display a Parking Permit in plain view on the inside of their windshield or the vehicle will be subject to towing.

Vehicle #2					
Vehicle #3					
Vehicle #4					

****Please Note:** Only one fee for multiple cars for one student is necessary. If you change vehicles, please remove the static permit from the prior vehicle and place in the new vehicle. Let Erica Bonner in Bookkeeping know so she can change it in the records and inform admin. to update their vehicle list.

The operation and parking of a motor vehicle on the JCHS campus is a privilege for licensed student drivers. As such, students must follow campus rules and regulations. Improper parking or unsafe driving may result in loss of campus parking privileges.

Any vehicle parked on campus, including Nyssa Street near the practice football field, during the school day must have a Junction City High School parking pass on the inside of the driver's side windshield. Passes cost \$20.00 and can be purchased during Registration or from the Bookkeeping Office.

Vehicles without passes or vehicles improperly parked may be towed. Parking is allowed on the gravel lot to the west side of campus or in marked spaces in the main lot. There is no student parking in the District Office lot. Avoid all "No Parking" areas – including all fire lanes.

I have read, understand and will follow the Junction City High School Parking/Driving Regulations.
