

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards. Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

Sylmar Charter High School believes that parent involvement is of the utmost importance in a child's education. The goal for Sylmar Charter is for parents and school staff to work together to improve student achievement. The School's Parental Involvement Policy is collaboratively developed with parents, teachers and community members. It outlines opportunities for involvement in school's policy, the shared responsibilities of parents, builds capacity of involvement and accessibility of the school program to parents.
