Reports

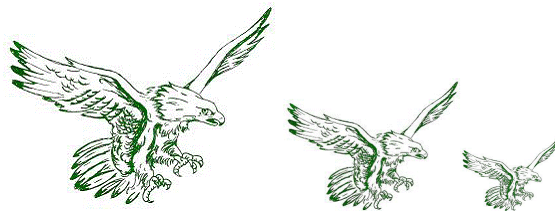

1. Facilities: (a) The building materials of the 1939 gym with adjacent classrooms continues to be demolished and hauled away. Asbestos abatement is complete and asbestos is no longer on the property.

(b) Re-roofing the secondary campus is progressing. Those chill water pipes for the HVAC that have corroded are being replaced with new piping.

(c) The 1956 Auditorium/Band Hall remains on the demolition list for summer completion. Due to high construction costs, it will not be replaced at this time.

2. Accountability: Principals presented STAAR reports to the Board. Principals will share this data with staff in August.

3. Board: Since Place 5 Board member Cody Tuttle resigned, the Board is seeking someone to complete the term which expires in May 2021. The Board members will make recommendations and the potential members may be discussed in another meeting.
