WELCOME TO THE FUTURE!

MRHS OPEN HOUSE DRONE/VR UNVEILING WAS A GREAT SUCCESS!

Last Thursday, Manchester Regional unveiled its' "Future Technology" display, showcasing drones and virtual reality in an educational setting! Students Emmanuel Rodriguez and Adam Al-Ghagbeer flew photography and racing drones in the hallways and in an improvised obstacle course, while Advanced PC Graphics students Diego Rojas and Briana Carlos performed a live virtual reality art exhibit! Student ambassadors Rosswell Cabrera, Tiani Thomas, Karen Cordova and Jeremiah Gil worked in concert with Mrs. Ala to answer questions from interested parents.

Here are two short videos from the live display:
