

To whom it may concern,

Thank you for giving me the opportunity to work for this school district. My experiences at Oneida have increased my strengths in my work ethics. I am so grateful that I have been apart of the Indian family. However, I have been given a new job opportunity. With a sadden heart, I will not be returning to Oneida Middle School this year. Once again, thank you for allowing me to be apart of this school district.

Sincerely,  
MacKenzie Adkins
