March 20, 2020

Dear Lennox Family:

After consulting with state and local leaders and the Board of Trustees, I have decided that our school closure be extended until April 17th, returning to school on **April 20, 2020**. This includes our regularly scheduled spring break from April 6, 2020 through April 17, 2020.

We will continue to observe Spring Break as originally scheduled. Teachers and students should plan to use this time as a break in instruction.

As the situation develops over the next few weeks, we will continue to evaluate the appropriate path forward. Our goal is to return to regular instruction as quickly as possible to benefit our students and community while ensuring that our community remains as healthy and safe as possible.

Even though schools are closed, all those who have regular schedules will continue to be paid as they continue to work or be on call. Large groups of employees are working remotely and/or remain on call, while other classifications of "essential" employees continue to provide essential services onsite in regular or modified schedules.

To continue to receive our funding, the State requires us in closure to continue to teach students remotely and to provide lunch to students. Our custodial staff has worked tirelessly to deep clean our sites so that we can provide a healthy environment when students and staff return and our nutritional services team has continued to provide nutritious meals to our students. So despite the fact that school doors may be closed, we are all continuing to work to benefit our students and staff!

For those of you who live in Lennox and have students, our nutritional services team will continue to provide an opportunity for students' families to pick up breakfast and lunch in a mobile walk up or drive-thru meal service for children 18 and under.

**Please note that we are moving meal distributions to three locations starting March 23, 2020 from 10:00 am - 12:00 pm.**

1. Lennox Middle School – (curb-side) 11033 Buford Ave
2. Jefferson Elementary – (curbside) 10322 Condon Ave
3. Moffett Elementary – (curbside) 11050 Larch Ave

These meals will be available for free for anyone 18 and under regardless of what school they attend. No paperwork is required. Children must be present in order for meals to be provided. Meals will be provided based on the number of children present. This program will be solely for the pick up of meals, and meals will not be consumed on-site.

Thank you for all that you do in these challenging times. Please take care and stay healthy and safe.

Sincerely,  
Scott

Dr. Scott Price, Superintendent
