

**Summer Offering:**  
***Emergency Medical Services Academy:***  
***Certified First Responder***

**Attention Rising Juniors and Seniors!!**

Are you interested in getting into the Emergency Medical Services (EMS), fire services, or just interested in learning how to better respond to emergencies? The summer Certified First Responder course at the Finger Lakes Technical and Career Center can provide you this opportunity. This course offering is a NYS certification course for Certified First Responder. This course and certification is also beneficial in many manufacturing, fabrication, and industrial careers. Many plants and facilities have emergency response teams that you would be certified to serve on. This course would also prepare you to enter the senior year of the EMS Academy at FLTCC.

Other careers this certification could be beneficial in:

Scuba Divers \* Park Rangers \* Utility Workers \* Teachers, Childcare Workers, and School Bus Drivers \* Security Officers \* Criminal Justice \* Search and Rescue Personnel \* Campus Responders and Campus Police \* Lifeguards \* Ski Patrollers
