

The NCATA 4th Annual Regional Art Show

Students had artwork on display at the North Country Art Teachers Association (NCATA) 4th Annual Regional Art Show at St. Lawrence-Lewis BOCES in Canton, NY. This art show showcases the best of each district with only 16 pieces of artwork from Kindergarten-8th grade being selected. Therefore, it is an honor for these students to be chosen. We were able to showcase one senior as well, our senior was Hannah Yandoh! On Tuesday, March 20th there was an opening reception for all students, family, and community members to attend. There were over 500 people that attended the opening that Tuesday night. High School students from our district had fun using their artistic skills to help provide face painting! Please congratulate the following Elementary School students for having their work in the show if you see them: Madilyn Austin, Marah Fiacco, Riley Gibson, Aubrey Plumadore, Ayisha Provost, Abe Snell, Alora Sweeney, and Claudia Valdez. Please congratulate the following Middle School students for having their work in the show if you see them: Zorah Barse, Merlyn Bordeleau, Chase Cardona, Grace Coughlin, Kristen Crump, Samantha Major, Anne Marsh, and Kaydence Tucker.
