Parent Program Survey

Cranbury School Special Education Parent Advisory Group (SEPAG) is a volunteer organization of parents. SEPAG members work closely with the Cranbury School child study team to offer resources and information to parents. SEPAG is always interested in new members.

The following survey will assist us in meeting our goal to provide members with programs that match their areas of interest. All responses will be anonymous and confidential. Survey results will be reviewed by the SEPAG committee. Please complete and return this survey in the enclosed envelope by April 18th.
