

Tuscarora School District healthy parties & snacks

2019-2020 Order Form

Celebrate Your Child's Special Day with Healthy Options

We realize that parents are extremely busy today and often do not have time to prepare items for student parties/snacks. The Food Service department offers a variety of items that will fill the need and many of them are good healthy choices for children's snacks.

The following items may be ordered by filling out this sheet and submitting it along with your payment to the Kitchen Manager in your child's school at least one week in advance. All orders must be pre-approved by your child's teacher so as not to interfere with classroom scheduling.
