### **2018-2019 Student Insurance provided by Pacific Educators, Inc.**

*It is important that all families of students at your school are informed of the availability of student accident/health insurance. To assist with this:*

- *Parent Letter - Will be delivered to each school site by Office Depot for distribution to all students.*
- *Student Accident/Health Insurance Brochures - Brochures have been ordered and will be delivered to each school site by the mailroom staff and separate from the parent letter. A limited number of brochures will be delivered to each school site. Please keep them in the Main Office, for interested parents. Do not distribute brochures to each student. NOTE: Applications/brochures are now available on Pacific Educator's website at: [www.peinsurance.com](http://www.peinsurance.com) (click on Products, then Student Accident Insurance) or access through the District's website at: [www.mvusd.net](http://www.mvusd.net) (click on About Us, go to Student Insurance, then click on the link for Pacific Educators).*
- *Athletics - A brochure and letter will be provided to each athlete. Remember that all students participating in athletic programs must provide evidence they're enrolled in health insurance.*

*School related injuries to uninsured students may cause financial hardship for parents and additional liability for the District. Your assistance with ensuring that all students are given the opportunity to enroll will benefit parents and the District. The student insurance program also helps the District comply with the California Education Code.*

*If you have questions regarding the student insurance program, please contact Risk Management at ext. 17520.*
