Dear Maple Hill Parents and Guardians,

Maple Hill just earned another AMAZING accolade! At Maple Hill, we are proud of our P.B.I.S. (Positive Behavioral Intervention Support) program. P.B.I.S. is our school wide behavior system. We make great strides to ensure that we are educating, not only the minds of our students, but their spirits, too. P.B.I.S. is a multi-tiered approach to social, emotional, and behavior support for all of our students. If you have ever heard your child talking about "tokens" being dispersed to them at school, then you already know about one of the core components of P.B.I.S.

This summer, the California P.B.I.S. Coalition announced the top schools in California that are implementing P.B.I.S. with fidelity and sustainability with bronze, silver, gold, and platinum medals. Maple Hill earned the gold medal! Maple Hill was one of 87 schools in California to achieve gold status. We are so very proud of this achievement and we know we could not have received this honor without your partnership! It takes a village to raise a child and working collectively with our Maple Hill Families is helping our kids grow into successful and well-rounded individuals.
