Kelli Livermore Receives Laretta Woodson Award

Mrs. Kelli Livermore, Literacy Coach for the Altoona Area School District, received the recent distinction as the 2017-2018 recipient of the Laretta Woodson Award from the Blair County Chapter of the Pennsylvania Association of School Retirees.

The award is made available by a bequest from former teacher Laretta Woodson of Philadelphia who suggested that one educator and one support professional be selected from nominees from each chapter in the state for his or her unselfish dedication and exemplary service on behalf of students and public education.

In addition to Mrs. Livermore, Mrs. Deb Barroner, a teacher aide from Frankstown Elementary School in the Hollidaysburg Area School District, was selected as the support professional to receive the recognition. Mrs. Peterson was recognized at a recent PASR spring luncheon held at the Calvin House in Altoona.

Elizabeth Happeny, Ed. Support representative from the Blair County Chapter, presented the awards, accompanied by William Neugebauer also of the local chapter and state vice president of PASR.
