A grievance is defined as a claim or a dispute between a Bargaining Unit Employee or the Association and the Committee which involves the interpretation, meaning, application of, or compliance with the provisions of this Agreement or any amendment or supplement thereto. The Committee and the Association agree to observe and follow the procedure prescribed in this Article and that any determination or decision which shall be made in accordance with said procedure shall be binding upon the Committee, the Association and the Bargaining Unit Employees.

1. Step No. 1 - The grievance shall be filed in the form of a written memorandum with the Principal of the school at which the Employee is assigned or written to the employee's supervisor if not assigned to a specific school and thereafter there shall be a prompt discussion of the grievance between the aggrieved Employee and the Principal or employee's Supervisor or his/her designee at which a representative of the Association

- c. The request for arbitration shall state the provision or provisions of this Agreement on which the grievance is based and shall state the remedy or the relief sought by the Party requesting arbitration.
- d. The authority of the arbitrator shall be limited to the terms and provisions of this Agreement and to the question or questions which are submitted. The arbitrator shall be bound by the provisions of this Agreement and he/she shall not have any authority to establish salaries or other forms of compensation nor to add to, subtract from, modify or otherwise change any of the terms or provisions of this Agreement. The arbitrator may not award back pay or any other form of compensation beginning earlier than ten (10) days prior to the filing of the written grievance as provided in Step No. 2 in Paragraph 113. The arbitrator shall have the authority to enjoin violations of this Agreement and to award compensatory and other damages.
- e. The arbitrator shall mail his/her written decision simultaneously to the Committee, to the Association and to the aggrieved Employee within thirty (30) days after the final submission. The decision by the arbitrator shall be final and conclusively binding upon the Committee, the Association and the aggrieved Employee.
- f. The expense of the arbitrator and the expenses directly related to the arbitration hearing shall be shared equally by the Committee and the Association.

Paragraph 115. By mutual agreement in writing between the Committee and the Association, a grievance otherwise subject to the grievance procedure as provided in Paragraph 113 and Paragraph 114 and otherwise subject to this Agreement may be initiated at Step No. 2 of the grievance procedure or directly submitted to arbitration as prescribed in Paragraph 114. A matter referred for disposition in accord with the procedure provided in this article shall not be referred to or processed by the Committee or Association before any state or federal regulatory agency.

Paragraph 116. Except where an extension of time has been sought and obtained, in the event of the failure by either the Committee, the Association or an aggrieved Employee to comply with the time limitations provided in this Article, the grievance shall be deemed to have been withdrawn or affirmatively accepted, as the case may be. The Committee, the Association and the Employees agree not to unreasonably withhold assent to the request by one of the other Parties for a reasonable extension of time limitations provided in this Article.

Paragraph 117. Except as may be required to implement the disposition of the grievance, all documents, communications and records dealing with the processing of a grievance will be filed

separately from the personnel files of the participants, unless the aggrieved Employee makes a request in writing to the contrary.

Paragraph 118. The breach of any of the provisions of Article III shall, at the option of the Committee, terminate the obligation of the Committee to arbitrate a dispute underlying the breach.
