Dear Collegewood Families,

We are embarking on parent conference time and our annual Fall Book Fair. As you stop to visit with your child's teacher, please be sure to stop by and add to your book collection. The Book Fair will be in the MPR located right across from our front office.

A special thank you to all of you for following our drop off and pick up procedures. It is so helpful when parents and families use crosswalks and demonstrate patience in the traffic line in front of the school. Thank you for helping us keep our students safe and for modeling good citizenship.

We hope that you enjoyed Family Movie Night and the Princess Ball. It is always great to see so many families attend these community events. A special thanks to our Community Club volunteers for planning and carrying out these amazing events.

I hope that you find the time you spend with your child's teacher purposeful. They have been preparing for this time with you to give you insight into your child's progress. Some parents find it helpful to write down questions and/or concerns they have before coming to the conference. This is a great opportunity to work in partnership with your child's teacher.

I wanted to remind you that we have a parent survey link located on our webpage. We welcome your input and feedback and keep this available to our families all year long.
