

## Attention!!!!

As of November 1<sup>st</sup>

The student lot is sold out!!!! We will begin the process for a wait list at the church in the business office. If the church approves to let our students park in their lot, the business office will contact the student with guidelines. Please be advised... this is not a done deal, we will not have this in the works until after the New Year.

Please do park in the student lot, staff lot or visitor lot as \$10 fines will be enforced for each occurrence. Please have your student ride the bus, car pool or get dropped off and picked up. Thank you for your cooperation in this matter.
