

## Office of the School Nurse

A **medical and eye examination** is required upon entrance to Archbishop Molloy H.S. The enclosed **School Physical form** is to be completed, signed and stamped by a licensed physician and should be dated after **June 1, 2019** and returned to the school no later than **August 16, 2019**. Due to insurance reasons, if your physical was done within the year of school starting it will be accepted but will have to be updated during the year. Example if your physical was done in October 2018 it would have to be updated this October 2019. **Suggestion, make a copy for yourself.** Please mail separately and put to the attention of the School Nurse. No student will be allowed to attend classes unless all requirements have been satisfied by the first day of school.

An annual medical and parental permission form is also mandated for students prior to the participation in a school sport. Please be certain **Participation in Sports** is checked off on the Physical Form and the **Tryout for Sports** form signed and stamped by a physician as well.

Tuberculosis a **Mantoux test** if done, the results must be **documented in millimeters** by a physician and submitted to the school. If there is a positive result, an x ray must be taken and a copy of the results submitted to the school.

If you have any questions please feel free to contact me at (718) 441-2100 Ext.123.

Thank you for your cooperation,

Mrs. Maria Gallagher RN
