

In order to conduct official business at a regular or special meeting, a quorum of the board must be present.

A quorum is defined as a majority of the actual membership of the board excluding vacant seats. If a quorum is not present at any meeting, the chairperson will postpone the meeting until such time as a quorum can be present, provided adequate notice is given pursuant to the Open Meetings Law. Proxy voting will not be recognized by the board. A member who has withdrawn from a meeting without being excused by majority vote of the remaining members present shall be counted as present for purposes of determining whether or not a quorum is present.
