

Good Afternoon St. Mary's Families,

April showers bring May flowers – we have had showers of various kinds and are now looking forward to the beautiful sunshine to follow! St. Mary's School is on a good path as we finish out the school year and look forward to next! Please come in and visit with me if you have questions or concerns.

Enrollment for the 2019-2020 School Year

If you have not yet completed the enrollment process, [you received another email to complete enrollment](#) for the 2019-2020 school year. **All enrollment will be online for the 2019-2020 school year.** Re-enrollment will continue until classes are filled. Please let me or Mrs. Campanella know if you will not be enrolling next year.

Enrollment for Summer Program/Care

We are beginning to enroll students for our summer program – please fill out the [attached form](#) so we can get your children on our list for the summer program/ care for the summer of 2019 and bring it to the office as soon as possible.

Reconciliation

Our 3rd – 8th grade students will have Reconciliation next Wednesday, Thursday and Friday starting at 2:00 PM.

PTO

PTO has some great events lined up as we finish out the school year. Save the Date - We will be celebrating the end of year with our St. Mary's families on Sunday, May 5th from 2:30 – 5:30 at McDevitt Park (please check the PTO Facebook page for all the great upcoming events).

MAP testing is from April 15th – May 10th for K-8 – see [attached schedule](#)

Math Help

Mr. Eric Thomson will be offering math tutoring on Tuesdays after school from 3:15 – 4:00. Mr. Thomson teaches pre-algebra here at St. Mary's and is great at working with students. If your child needs some help in math, please have them stay after school on Tuesdays. Thank you Mr. Thomson for helping our students and volunteering!!

Marketing

We will have a brainstorming meeting on Tuesday, April 9th at 3:30 in the library – please join us to share your marketing ideas! We are looking for fresh ideas to market our school and looking for parents who are willing to take the lead on marketing. Let me know if you are interested in helping. We have an incentive program, if your family invites another family to consider our school, take a tour, etc. and that family enrolls for the 2019-2020 school year, you will get a \$100 reimbursement on your fees – this is in effect through August 1, 2019. We have so many great things going on as St. Mary's – Remember, you spreading the word about our great school and inviting people to come and take a tour is the best form of marketing.

Lenten Prayer:

I Will Turn

*Lord, I will turn,
 Turn my face towards you.
 I will lay before you the desert areas I hide
 And turn to soak in your refreshing words of life.
 I will cast aside the barren, selfish pursuits
 And turn to rest in the tranquil warmth of your love.
 I will draw back from the harsh pull of media
 And turn to bathe in the gentle power of your Spirit.
 Lord, today I turn my face towards you.*

*I will turn
 To soak in your words of life,
 To rest in the warmth of your love,
 And to bathe in the power of your Spirit.*

Thank you for entrusting you child's education to us at St. Mary's and thank you for being part of our St. Mary's Family!

Blessings,

Tammy Emerich

Principal

 Wednesday
 during Lent
 from
 6-8pm
 In the Church

Athletic Physicals

BK Students (and that would include our 8th grade students who will be attending BK next year) who participate in athletics or cheerleading are required to have an Athletic Physical on file with the school. As such, they sponsor an Athletic Physical Clinic every year to help meet that need. This year, they have set Sunday, May 5th from noon—4 pm as the day for the Athletic Physical Clinic.

Here is a [flyer](#) with complete information about this event.

8th Grade Class Fundraiser:

April 17th & May 1st
 Hot Dog Lunches!

Check out [April 17](#) & [May 1](#) forms here.
 Forms are Due **April 6th & April 20th!** by
 3:30 pm

Nurses Note: Canal Safety

Canals – Now that spring has sprung, the canals of the Treasure Valley are flowing again. These are especially hazardous for young children, who can be fascinated by the rushing water. But even adults may have trouble climbing out of a canal and up the steep banks if they fall in. Teach your children to stay away from canals and if a ball, stick, or other item they're playing with falls into the canal, they must let it go. Please see attached link for more information.
