Dear Glenknoll Families,

The Placentia-Yorba Linda Unified School District (PYLUSD) is excited to share that Glenknoll Elementary School will be one of five schools participating in the full-day kindergarten pilot program during the 2019-2020 school year. The other schools participating in the full-day pilot are Brookhaven, Morse, Topaz, and Woodsboro elementary schools.

This full-day program will be grounded in developmental research to ensure all participating students receive strong academic foundational instruction as well as additional time to participate in enriched visual and performing arts activities. Through the gift of additional time, students will have the opportunity to interact with other students during purposeful play, physical education, computer labs, library, music and movement, hands-on science, and many other extended lessons.

Students enrolled in the full-day kindergarten program will attend school from 7:50 a.m.-2:15 p.m. each day. The daily schedule for the full-day kindergarten classes will be communicated to incoming kindergarten families prior to the summer break. With the anticipated success of the pilot schools, PYLUSD hopes to expand the full-day kindergarten program district-wide in the 2020-2021 school year.

In order to address any concerns or questions, a parent meeting will be held on Thursday, May 30, from 6:00-7:00 p.m. at the District Office Boardroom, 1301 Orangethorpe Ave., Placentia. We also have information posted on our website regarding full-day kindergarten and childcare at www.pylusd.org. If you have any questions, please contact Dr. Andrea Norman, Director of K-12 Curriculum and Instruction at (714) 985-8685 or anorman@pylusd.org.

Thank you,

Dr. Andrea Norman, Director, K-12 Curriculum and Instruction
Placentia-Yorba Linda Unified School District
