

LEXINGTON COUNTY SCHOOL DISTRICT 3

Batesburg-Leesville Schools

2018 - 2019 Device Protection Fee Schedule

Protection Premium is Required

A prepaid device protection premium of \$20 is required for all middle school and high school students for the current school year. The premium is required, and if not paid, the student is assessed the full cost of repair or replacement for all incidents.

Loss, Gross Neglect and Abuse

Even if no other incidents have been reported for the school year, incidents of loss, gross neglect and intentional abuse are not covered, and will be charged to the student at the full cost of repair or replacement, as defined in the cost schedule below.

Repair and Replacement Cost Schedule

To reduce the potential burden to students and parents, and to simplify the assessment of costs for schools, the cost schedule is generalized into major, minor and cosmetic charges. Costs are based on our current models. It is possible that lower cost options are available through third parties in some cases, but we can not accept substitutes or alternative repair proposals.

Full Replacement Cost For loss, theft or in cases where damage is so severe that repair is not cost effective.	\$350
Major Repair For damage to the screen or system board.	\$150
Cosmetic For minor cosmetic damage which in no way affects the operation of the device, and will not be repaired.	\$25
Swappable Items Power Adapter and Cable Protective Carry Case Shoulder Strap User Replaceable Battery	\$25 \$50 \$15 \$75

Outstanding Account Balance

Students who carry an outstanding balance for device repair or replacement will not be allowed the privilege of home device use (BLHS). This permission can be reinstated upon payment of the account balance.
