We at the Ninth Grade *Success* Academy are excited to welcome you and your child to Newtown High School a Small Learning Community!

Important Upcoming Dates

- 04/08/19 – Progress Reports via Pupilpath
- 04/11/19 – PTA Meeting in the library at 7pm
- 04/19/19 - 04/26/19 – Spring Recess
- 05/03/19 – End of Marking Period

Lunch Forms

Please apply for your child's free lunch. This is available to every single student within the Department of Education. It is easier than ever to apply online.

The website is: www.myschoolapps.com

Need assistance or have questions? Call SchoolFood Customer Information: (877)363-6325
If you would like a paper form, send your child to room 149 to see Mr. Levitan.

Spring Recess

This year is flying by! It is already time for Spring Break. Students have off from school from Friday, April 19, 2019 to Friday, April 26, 2019. They are expected to report back to class on April 29, 2019. Since the school year is closing teachers in core classes (Algebra, ELA, Living Environment and US History) will be assigning break packets. The freshman class is working hard to prepare for their first New York State Regents exams. The Regents exams are the tests that students are mandated to pass in order to graduate from high school. Please be sure to ask your child about their break work and help them create and manage a schedule to help them submit their assignments on time when returning to class.

Extra Help at Newtown High School

The purpose of extra help is to provide your child with extra, intensive assistance in a subject. Extra help groups are smaller than class sizes allowing for teachers and tutors to work more one-on-one with their student's specific needs. In the Ninth Grade Academy, with the help of City Year, students have a lot of opportunities to attend extra help. Ask your child, check Edmodo or contact Ms. Zapata for time and locations of extra help tailored to ninth graders and their academic needs.

Meet Newtown High School's Deans

Each Small Learning Community (SLC) has assigned deans. The SLC dean is a part of that small learning community, often teaching the students who are also in that small learning community. The roles of the deans include mediation, discipline, peace-keeping, and support of academic achievement. The deans (with administrators, teachers, students, security officers, and support staff) play a major role in creating and maintaining an academic environment where students can flourish academically and socially.
