June 2019

Dear Dearborn Families,

We are busily preparing for the 2019-2020 school year, and are looking forward to a very successful academic school year. In order to prepare for the upcoming year, we are planning Summer Orientations 2019. Each orientation will open with a "Principal Presentation" in the Dearborn auditorium. **Classroom assignments will be given at your last station visit in the main office.** Classroom assignments will not be given over the phone. If you are unable to attend the Summer Orientation, then your child's schedule will be given to them on the 1st day of school (Tuesday, August 20th).

Prior to orientation please complete the following steps to ensure speedy rotations:

- Complete all attached paperwork
- Complete the online Lunch Application <https://www.myschoolapps.com/> (one application per family.) **If you complete the online application, then do not complete the paper application.** Please print out evidence of completion, we will be holding a "Lunch Application Grade-Level Contest". If you do not have computer access, then computers will be available for you to complete it during orientation.

Please review the details below. We do not have child care options, so your children will need to stay with you as you rotate stations. We look forward to seeing you!
