Did you know??

To protect your children, the secretaries at Chief Mo will always ask for your identification when picking up a student. Your emergency contacts should be up to date. If a person is not listed as a contact, a student will not be allowed to leave with them.

The Daily Bulletin and Monthly Newsletter are put on the MLSD website under Chief Moses Middle School. There is also other information that may interest you there.

If you keep your email updated at CMMS, you will receive info concerning your student and their activities.

Questions to ask your children. (Listen intently to their answers)

- * Tell me the two students you remember most from each class.
- * Was there anything today that you wished you had at school?

Things to tell your children.

- * Talk to them about your best friends in middle school.
- * Tell your children how you felt about some of your teachers in middle school.
- * Be honest w/ your child about fears you had in middle school.

AVID Family Night

AVID students enjoyed a Sub Sandwich dinner and Information sessions during their **AVID Family Night** in January.

Students in the AVID classes prepared various presentations to share with parents. The 8th grade AVID students also prepared decorations for the tables. AVID teachers were available to answer questions that parents had about the AVID expectations and the activities students have been involved in.

A group of High School AVID students was present to share information with the 8th grade AVID students and their families. High School AVID has already begun recruiting for the freshman AVID class for 2019-2020.

Looking Ahead to High School

The MLHS counselors will present to the 8th grade ELA classes on **Thursday, February 21st**. At this time, we will talk about the high school and the registration process. Each 8th grader will receive a freshman registration form and the course guide will be available electronically.

The following week will be curriculum night and 8th grade registration nights at MLHS.

-Curriculum Night: Monday, February 25th Time: TBD

8th-11th grade students and families are invited to MLHS to learn more about what the high school has to offer (classes, sports, clubs, support programs, etc.)

-Chief Moses MS 8th grade Registration Night: Thursday, February 28th in the MLHS theater. Start times will be 5pm; 6pm; 7pm

This is when the 8th graders will turn in their completed high school registration forms. We will have three different sessions: 5pm, 6pm, and 7pm. Families are encouraged to arrive at one of those start times. They will hear a short presentation by our administrators and will meet with a counselor to turn in their registration form. Support will be available to assist families with questions and registration help. If a family cannot attend Thursday, we will be doing the same thing on Tuesday, 2/26.
