

SPORTS PHYSICALS \$20

SPORTS PHYSICALS NORTH BIG HORN HOSPITAL CLINIC

**JUNE 5TH & AUGUST 7TH
1PM TO 4PM**

Sports physicals will be \$20 on these days only and will be performed on a first come first serve basis.

If your child is due for a Wellness Exam or immunizations, we encourage you to schedule an appointment with the clinic. The Sports Physical form can be completed during your child's Wellness Exam.

The American Academy of Pediatrics recommends a yearly wellness exam for children 3 to 18 years of age.

Most insurance covers wellness exams and may waive the co-payment requirements, which could result in NO OUT OF POCKET COSTS.

Contact your insurance administrator or call our clinic for more information.

A Sports Physical is not a Wellness Exam and will not be billed to your insurance, nor will immunizations be provided.

If your child is uninsured and you cannot afford the \$20.00 Sports Physical fee, please contact our clinic about an Application for the Waiver of Fees.

Contact 307-548-5201 to schedule your wellness exam or if you have any questions on this new process.

If you are unsure if your child needs immunizations please contact us. We can let you know what immunizations your child is due for.

Sports physical forms can be picked up at your school, the clinic during regular business hours or on the NBHH website.
www.nbhh.com

If your child plans to receive a sports physical on either June 5th or August 7th, please fill out and sign the sports physical registration form.
