Make-up Work:

It is the parental responsibility to request make-up work for students in grades K-5. Any student absent from school shall be given the opportunity to complete make-up all work missed. The student will be given a day for each day absent to make-up assignments, unless the student had prior knowledge of a test, quiz, report, homework, etc. due date prior to the absence. In that event the student would be required to fulfill those obligations on the day of his/her return to school.
