6.2. REQUEST TO APPROVE THE ADOPTION OF THE AVANCEMOS! SPANISH CURRICULUM FOR GRADES 9-12

The Avancemos! curriculum was selected after careful review of Spanish curriculum available from various textbook companies and it comes highly recommended from neighboring school districts and trusted professional reviews. A new curriculum was needed for the Spanish 1, Spanish 2, and Spanish 3 classes as the previous curriculum reinforced outdated vocabulary and outdated language acquisition pedagogy. As the California Department of Education and ACTFL (The American Council on the Teaching of Foreign Languages) update their World Language Frameworks to reflect real-world language connection and comprehensible input instruction, NBECHS curriculum needed to follow suit. Avancemos! was selected because of its natural approach to language acquisition and emphasis on Integrated Performance Assessments which incorporate all modes of communication, therefore providing our students with a comprehensive and rigorous learning experience that is rooted in authentic use of the target language.

It is recommended the Charter Board approve the adoption and purchase of Avancemos! by McDouglal Littell for grades 9-12.
