

"TIS THE SEASON"

How do you feel about helping out needy and less fortunate children at Christmas time? Wouldn't that be a wonderful experience? Well we can make it happen.

We traditionally sponsor students from Sacred Heart School in Jersey City who, otherwise, would be receiving next to nothing on Christmas morning. This can be changed by our generosity to shop buying necessary items to make their holiday happy.

Here's how it works; I will have a list of names in the office and you can come and pick out the name of a boy or girl. When you pick the name, you will receive information as to sizes, grades, what items need to be bought and also something special that they might want.

You can then begin to shop and be able to take advantage of the Black Friday Sales. All gifts must be labeled and wrapped and returned to school. Another way to get involved is to make a donation, and we will purchase Shop Rite gift cards to enable these families to have a delicious Christmas dinner.

Last year we made Christmas wonderful for approximately 40 families. Please let's see if we can continue to be "Givers" and make our sister school, Sacred Heart, have a Blessed and Happy Christmas.

Thank you,

Carol Palmieri
