

HOOPS CLINIC

MARCH MADNESS II @ HILL

Again this year we are going to offer a 4 week basketball clinic during the month of March. So, if your child loves basketball, wants to continue to improve his/her skills and/or wants to join a team next year, or just to have some fun, this is a great opportunity!

The clinic this year will be run by the professional organization called Shootin' School. It is the same staff of people who were the clinicians at the school's summer camp last August and also were a big part of our very enthusiastic pep rally prior to the start of playoffs for the Hill teams.

Again the "teaching" clinic is open to boys and girls. It is also open to children who do not attend Hill so if your son/daughter has a friend from another school, they are welcome too. If you know any non-Hill children who wish to attend please share the link below with them.

Grades 1 through 4 will be from 9:00 to 10:30 NOTE: March 16 time 8:00 to 9:30
