CLASS OBJECTIVE

* Our goal is simple: to work together and create a school yearbook that you and the whole Rowland community can be proud of. By being in this class, you are performing a service to the school. It is our responsibility to cover as many of the students here on campus in the book, as it belongs as much to them as it does to us.

* You are historians, journalists, and artists putting together a photojournalistic book that will be on shelves for many, many years to come. What you do in this room directly affects every person in Rowland High School, their families, future students, and your own future selves. It is an honor and a big responsibility to be a part of the yearbook staff!

Thank you for making the commitment!

Please join the class Facebook page to stay connected to editors and each other

PROCEDURES

* During classtime, work on Yearbook-related materials and use your time wisely. If you do not have yearbook work, you may work on studies for other classes.

* If you need to be excused from class, indicate your location on the class chart.

* Remember to be respectful and keep the noise level down, as many classes are still in session.

* Please use and treat all class materials (computers, cameras, etc.) with care.

* Be considerate of others and use earbuds or headphones if you want to listen to music.

* At the end of each day, please help put chairs on top of desks. Remember to shut down all computers and return chairs to the student tables.

Students may not leave campus during 7th period. If you need to leave, follow proper procedure, and have a parent call the office to excuse you from class. This pertains to jobs, appointments, driver’s tests, etc. If a student is not in class when the dismissal bell rings, he or she will be marked absent.
