

Celebrate Back to School! #Back2SchoolWV

The logo features the word 'Back' in blue, '2' in orange, and 'School' in green, all in a bubbly, rounded font with thick black outlines.

The West Virginia Department of Education invites families, schools, classrooms and educators to celebrate the new school year with the **#Back2SchoolWV** Campaign. Help us capture the excitement and energy of a new school year as students head back to the classroom.

Wake up & get ready for a NEW SCHOOL YEAR

Take a picture or video of your student preparing for school, getting on the bus, going into the classroom or simply having fun with friends.

 Use **#Back2SchoolWV** and post the pictures on social media. Be sure to include your school and county and tag **@WVEducation**.

The WVDE will repost and share photos and videos on its official social media channels.

So, smile and join the #Back2SchoolWV Campaign as we begin another successful school year in West Virginia!
