

September 9, 2019

Dear Edwardsburg Public Schools Parents and Staff,

Enbridge, a utility provider, and the Michigan Department of Transportation have informed us that a **portion of US 12** between Worrell Street (near Bell Road) and M60 (interchange by SMC) **will be closed for road repair tomorrow, Tuesday, September 10<sup>th</sup> through Thursday, September 12<sup>th</sup>.**

Attached is a map from Enbridge & the MI Dept. of Transportation detailing the closure and the detour route.

Edwardsburg Public Schools buses impacted by this detour have been rerouted and effected parents notified by our Transportation Department.

If you travel this route, please plan for extra travel time to arrive to school on time.

Thank you,

A handwritten signature in cursive script that reads "Rebecca Crocker".
