

# German Language Summer Extravaganza

All students are invited to attend West Elementary’s German Language Summer Extravaganza. Sessions will be held on June 17-20 and June 24-27 from 9 am to noon. Your student may attend some or all of the camp.

Students who are new or at beginning levels will have the chance to learn important vocabulary and classroom procedures that will prepare them for the upcoming school year. More advanced students will have opportunities to expand and enrich their language skills.

All students will get to sing songs, play games, and participate in a variety of other fun activities in the German language. We hope to have your student join us for the fun!

We will also have a “Back to School” Session on August 12-13 from 4-5:30 pm.

We understand that plans may change, but if you would like your student to attend, please indicate below and return the slip to the office.
