If you have checked in this year, you need only send your name and event(s) you are attending to Heather. If you have **not** checked in this year, you can send a picture of your ID for manual entry. All pre-printed sticker badges will be in the office, available at the front desk. The safety and security of the students and our building continue to be a priority. New! Read to Succeed - Hart is participating in an exciting program that encourages students to READ! *Read to Succeed* is a free program sponsored by Six Flags Theme Park. Every student who completes a total of six hours (360 minutes) of reading time at home before February 28th will receive a free admission ticket to Six Flags. All students interested in participating must keep track the books read and their reading time on the reading log sent home today. All logs are due back to the Hart Library no later than **February 28th**. Please contact Mrs. Hart or Mrs. Fox with any questions.

Nut Free Table - **We have added a nut free table to the lunch room.** We will make signs that will be hung from the table to specify nut free. Any child with nut allergies may sit there. The nut free table will be an option for those children who choose to sit here based on their particular food allergy and need. Ideally we like children to be able to sit where they feel comfortable and surrounded by their choice of peers, but this will be a safe zone in case we end up having more children wanting/needing to utilize this option. Thank you for your accommodations to this new change. Please let me know if you have any questions

Lost and Found - Lost and found is piling up in the cafeteria. Please ask your child to look for his/her lost items or check yourself when you come to campus. All items left after we leave for Christmas Break will be donated to ACO.
