July 2019

Dear Parents and Students:

Each year prior to the beginning of school there are a variety of materials for parents to read and several forms to return to the school. In an effort to streamline the process the Rowland Unified School District will be posting the Annual Parent Information & Notifications Handbook, which includes the Uniform Complaint Procedures Annual Notice and the Student Acceptable Use Contract, on the District's website at www.rowlandschools.org (under “For Parents”-Annual Parent Notification Handbook). If you do not have access to a computer, you can obtain a copy of these forms in Rowland High’s administration office or at Student Services located at the district office.

After reading the materials listed below, please sign this letter (goldenrod paper) and the attached Migrant Education Program (for freshmen only). This letter will be used as a verification of receipt and acknowledgement/acceptance of school and district policies. Please take the time to read through the following items contained in this contained in this packet.

- Migrant Education Program (Freshmen Only)
- Back-to-School Night Information
- Bell Schedule/Map/Calendar of Events
- Rowland High School Newsletter
- Student Accident and Health Insurance Application
- Superintendent’s Letter

By signing the end of this form you indicate that you have read and understand the following documents:

- Annual Parent Information & Notification Handbook
- Uniform Complaint Procedures Annual Notice
- Student Acceptable Use Contract (This form is required in order for students to access technology on the campus.)

Date: _____________________________ School: Rowland High School

Student’s Printed Name: _____________________________

Student’s Signature: _____________________________

Parent’s Printed Name: _____________________________

Parent’s Signature: _____________________________

Sincerely,

Mitch Brunyer
Principal

Return to 3rd period teachers the first week of school:
1. This form (goldenrod paper)
2. Migrant Education form (freshmen only)
