PENDING SCHOOL BOARD APPROVAL, TUESDAY, MARCH 3, 2020

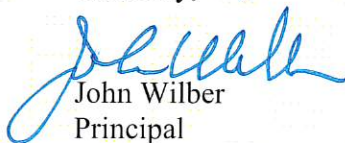

February 28, 2020

Dear Fillmore High School Parents, Students and Staff,

I am pleased to welcome Walter “Charlie” Weis IV as Fillmore High School’s Head Varsity Football Coach. As part of his responsibilities, Mr. Weis IV will also teach as part of our Special Education staff. He brings an impressive list of professional skills and experience. Since 2014 at Moorpark High School, Mr. Weis IV served as a Specialized Academic Instruction teacher and football coach in various capacities. In 2017, the district honored him as Teacher-of-the-Year. In 2018, he became department chair and took on the additional responsibilities of Academic Decathlon Coach & Advisor, Future Business Leaders of America Advisor, and Speech and Debate Coach Advisor. After serving as assistant Varsity football coach from 2014 – 2016, Mr. Weis IV coached the Junior Varsity team as an assistant before taking over the squad as head coach in 2019. Coach Weis IV will be a great fit with our football program.

Mr. Weis IV has deep roots in the Fillmore community. Raised in Moorpark, he was born in Fillmore and currently resides here with wife Kelsie McLain-Weis, FUSD’s Coordinator of Curriculum, Assessment and Technology. I am pleased he is now part of our staff and am excited about the tremendous asset he will be to our instructional teams, our sports programs and to our community at large. I invite you to join me in welcoming him.

Sincerely,

John Wilber
Principal
