LUNCH PROGRAMS

The Moreno Valley Unified School District takes part in the National School Lunch and School Breakfast Programs. Meals are served every school day.

Applications for free and reduced priced meals are completed at the Lunch Program Office located in the lobby of the Centralized Registration Center.

BUS TRANSPORTATION

Bus transportation applications are available at the Transportation Office at the Centralized Registration Center. Applications for transportation must be submitted to this office.

Frequently Asked Questions

Q: What are the transportation fees in Moreno Valley?
A: Transportation fees are $360 per semester.

Q: What is the purpose of the transportation fee?
A: The transportation fee is designed to offset the cost of providing transportation services.

Q: When does the transportation fee apply?
A: The transportation fee applies to all students regardless of their attendance status.

Q: How does the transportation fee impact attendance?
A: The transportation fee is intended to encourage students to attend school regularly and punctually.

Q: Where can I find more information about the transportation fee?
A: For more information about the transportation fee, please contact the Transportation Office at the Centralized Registration Center.

CENTRALIZED REGISTRATION

CENTRALIZED REGISTRATION is a group of services under one roof, designed to assist new families to the Moreno Valley Unified School District with student enrollment needs. It is our wish to make the transition to new schools as easy as possible.

Services offered during the hours of operation include:

- New Student Registration
- Language Assessment
- Special Education Student Placements
- Interdistrict and Intradistrict Transfers
- Change of Address (students moving from one MVUSD school to another MVUSD school)
- Lunch and Bus Transportation Programs
- Foreign Exchange Service Application Approval

All students new to MVUSD must register at The Centralized Registration Center. Also, students moving from one MVUSD attendance boundary to another MVUSD attendance boundary must complete a Change of Address Packet and will be assigned to their new school. Enrollment in MVUSD is contingent upon the first day of attendance in the current school year.

You may complete the pre-enrollment packet at the time you come in, if all required documents are present. Alternately, you may wish to take the packet home for completion and return it later with the required documents. Incomplete pre-enrollment packets will not be accepted.

For further information, please visit us online at: www.mvusd.net and click on "How To Enroll Your Child".
REGISTRATION

Registrations are received on a first-come, first-served basis. Make sure to check in with the Lobby Clerk to obtain a service ticket and confirm you have all documents required to complete your student’s registration. Incomplete registration packets will not be accepted.

Early registration is encouraged. Space is not held for students who do not appear the first day of school. Space is assigned to registered students only.

Before a student can register or attend a school in the Moreno Valley Unified School District, the following requirements must be met:

Age Requirements

Information regarding the new age requirement for Kindergarten and Transitional Kindergarten Programs based on The Kindergarten Readiness Act of 2010 is available. Please see front desk lobby clerk for further information.

Birth Date Verification

Verification of birth date must be provided. Any of the following documents may be used to verify date of birth:

- Original Birth Certificate
- Court Documents
- Adoption Papers
- Baptismal Record
- Hospital Birth Record
- Passport

Proof of Residency

Documentation proving current residency within a school’s attendance area must be provided at the time of registration. Acceptable documentation of residency is a current gas, water or electric bill* (no telephone or cable), lease agreement, closing escrow papers, credit card statement, wage statement, bank statement, DPSS statement or mortgage statement. The documentation must be dated no later than sixty (60) days prior to registration and must show the parent/guardian’s name and current address in the Moreno Valley Unified School District. If acceptable current proof of residency cannot be shown, a Residency Affidavit will be required (form available upon request).

Immunization Record

Proof of the following immunizations must be provided:

- Polio ........................................... 4 doses
- DTP (Diphtheria, Tetanus and Pertussis) ............. 5 doses
- Tdap Booster 7th through 12th grades on or after 7th birthday.
- MMR (Measles, Mumps and Rubella) ............. 2 doses, but one more dose if the last dose was given before the first (1st) birthday.
- An additional dose of measles vaccine is required for Kindergarten and 7th grade students.
- HEP B (Hepatitis B) ............................... 3 doses
- Varicella (Chicken Pox) ......................... 2 doses

Children who have had the disease will need written documentation from their physician showing month and year of disease.

PPD Intradermal Mantoux (Tuberculosis Skin Test) It is recommended that all children new to Riverside County Schools take a tuberculosis skin test.

A positive result from a TB skin test will require a copy of a current chest X-ray report.

Physical Exam

Students enrolling for Kindergarten and First (1st) grade must show proof of a physical exam.

A copy of the physical exam (showing dates of blood, urine, vision, and audiometric testing) is required at the time of registration.

- The exam for Kindergarten students must be dated no earlier than six (6) months prior to the first (1st) day of attendance at school and, at the time of the exam, the child must be at least four (4) years and three (3) months old.
- Physical exam must be stamped by clinic and signed by Doctor.
- To enroll in First (1st) grade, the exam must have been given within eighteen (18) months prior to the first day of attendance at school.

To make sure your child is ready for school, California law, Education Code Section 49462.8, now requires that your child have an oral health assessment by May 31st in Kindergarten. Assessments that have occurred within twelve months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

KINDERGARTEN PRE-ENROLLMENT

Registration packets for the 2019-2020 school year will be accepted at the Centralized Registration Center beginning March 4, 2019 and thereafter. Pre-Enrollment packets will be available after February 4, 2019.

Middle and High School Registration

Once registration has been completed with the Centralized Registration Center, the parent must bring a photocopy of the registration form, along with an unofficial transcript and withdrawal grades (if applicable) to the student’s assigned school. The next available counseling appointment will then be made.

A counseling appointment cannot be made without an unofficial transcript and withdrawal grades (if applicable). These documents are extremely important for the counselor to schedule the student into the appropriate classes to meet graduation requirements.

If you do not have the unofficial transcript and withdrawal grades, and your previous school was local, please return to that school to obtain the documents.

If your previous school was out of the area, the information can be faxed to the assigned MVUSD school. Please follow up with a phone call to the Guidance Office to confirm that all information has been received.

LANGUAGE ASSESSMENT

Upon enrolling, all students must complete a Home Language Survey. If a language other than English is spoken in the home, that student must be screened for English Language proficiency according to California State Department of Education Regulations. This process is not optional.

Since the results of this screening process for students in grades K-12 provide the staff with information which may indicate the need for English Language development assistance, we must conduct the assessment prior to the student’s placement in school.

- Testing process for grades K-2 takes approximately 1 hour and 15 minutes
- Testing process for grades 3-12 may take up to 2 hours and 45 minutes.

Each student is tested individually. Result of the assessment will be shared with the parent and/or guardian. You will leave the session with documentation needed to continue the enrollment process at the school assigned.

SPECIAL EDUCATION

To complete the registration for a special education student, a copy of the current Individualized Education Plan (IEP) and a copy of the Psychological Report (if available) will be required prior to the student’s placement in school.

CHANGE OF ADDRESS

Students moving from one school attendance boundary to another attendance boundary with the District must complete a Change of Address form at Centralized Registration. Parents must bring their current proof (within 60 days) of residency. Please refer to ‘Proof of Residency’ for acceptable documentation.

CIF ELIGIBILITY

It should be clearly understood by parents/guardians and students of the Moreno Valley Unified School District that the requirements for CIF eligibility are in no way met by simply registering to enter our schools or by submitting a Change of Address form.

The rules pertaining to CIF eligibility have a much stricter standard than that of enrollment into our schools. If you have any questions and/or concerns regarding your student’s CIF eligibility, you should contact your high school’s Athletic Director who will be glad to assist you.
