October 2019 Teen Events Descriptions

Food in the library? Well, only if you make it. Come in and learn a new recipe for snack. Make it, eat it and watch a movie while you enjoy. This month's recipe: S'more Cups!

Join the library's Teen Council. Gain more of a voice in the library and get another great leadership activity to add to your resumes, and college and scholarship applications.

Love to read and looking for others who love to read too? Join book club. This month's book is "Shadow of the Fox" by Julie Kagawa.

One Thursday a month, the Library's Community Room is your fun room. Enjoy video games, crafting stations, life-sized board games, anime, movies, TV shows, and more.

Calling all teen gaming nerds out to play. Bring your gaming consoles, your video games, your Magic cards, other RPG's, friends and a snack for nothing but playtime in the community room

The First Fandom Friday of October is all about Marvel. Join us to watch one of the latest releases. We'll have a concession stand for treats!

The Second Fandom Friday of October is all about Halloween. Yes, our party is early, but it is all the more awesome for it. Join us for food, prizes, games and more. Come in costume if you want!
