

With the start of the new school year, we wanted to do a quick reminder of our dress code regulations.

The purpose of our dress code is to allow more ease in selections for the parent and more flexibility for the student. Reminders include:

Logos on tops will be allowed as long as they are not offensive in nature.

Corduroy bottoms are allowed if all other guidelines are followed.

Logos will be allowed on outerwear as long as they are not offensive in nature.

We anticipate that there will be some questions about specific items of clothing. Your school principal will contact you in the coming weeks to let you know days when the school will be open to approve specific items of clothing. This will give you the opportunity to bring your clothing into the school and have them approved (or not) by your administrator.

Yes

Solid color polo or outerwear with logo

No

More than one color, contrast trim or graphics

It is the vision of Crandall ISD to provide all students with a safe and professional learning environment. With that in mind, the standards of grooming that follow have been approved by the School Board and will be implemented effective immediately for all school related functions including, but not limited to, summer camps and after school activities.
