MISSION STATEMENT
American Martyrs School, a Catholic parish school united with our Catholic community, celebrates the unique gifts of every person and fosters life-long faith, academic excellence, and an inner drive to serve others.

PHILOSOPHY
American Martyrs School affirms the dignity and goodness of all of God’s children from pre-kindergarten through eighth grade. The faculty, staff, and administration of AMS assist parents in their responsibility for the Catholic education of their children. AMS provides an environment for practicing our Catholic faith and celebrating the Church’s liturgical life with the guidance of our pastor and the Archdiocese of Los Angeles. AMS recognizes each child’s role as a citizen of the world by fostering life-long Catholic leadership, academic excellence with standards-based curriculum, individual personal integrity, awareness of moral and social concerns, and service to others.

SCHOOL-WIDE LEARNING EXPECTATIONS

faith
Students know, practice and live their Catholic faith.

excellence
Students strive to reach their full potential by always putting forth their best effort.

service
Students develop compassion, conscience, and empathy for the needs of local and global communities.

integrity
Students are honest and adhere to moral and ethical principles.
Our school has been blessed with many wonderful gifts, experiences, and accomplishments. I would like to thank you, our school community, for your ongoing support as we continue to live out our American Martyrs School Vision.

American Martyrs School is committed to providing the safest possible environment for our students. During the 2018-2019 academic year, a great emphasis was placed on increased campus security. The school conducted two security audits of our campus, installed a buzzer door, and provided ALICE (Alert, Lockdown, Inform, Counter, Evacuate) training for all staff. We pray that we never have to use these exercises in a real-life scenario, but will continue to do what we can to keep our students safe. We would not be able to implement all of these things without the support of our extraordinary school community.

A special thank you to the American Martyrs School Board and the leadership of School Board President Kris Knowles. The school board has been instrumental in guiding and supporting the AMS administration throughout the Vision implementation.

Thank you to the American Martyrs Parent Association led by Jessica Sorrentino. Your gifts of time, talent, and treasure have contributed to the growth of our students and greater school community.

Thank you to the AMS faculty and staff for the tremendous job you do educating our students. The talent and dedication you have demonstrated during the implementation of our AMS Vision has been and continues to be exemplary.

Thank you to the American Martyrs parents for your continued partnership as we minister to the faith formation, academic development, and social-emotional needs of our students.

Thank you to Msgr. John Barry for your ongoing support, and the love you share with our entire school community. Your leadership is a blessing to us each and every day.

It is a great pleasure and blessing to have the opportunity to serve this community!

Blessings,

Camryn Friel
Principal
The American Martyrs School Board commends the faculty, staff, and administration of American Martyrs School for their commitment and dedication to the spiritual and intellectual development of all students, and their steadfast efforts to fulfill the mission of the school over the 2018-2019 school year. Through the support of Msgr. John Barry, the Parish community, and all of our families, American Martyrs School has successfully continued to live out the principles of faith, service, excellence, and integrity.

American Martyrs School has worked diligently to implement the updated Vision. The 2018-2019 school year marked the fifth year of the implementation of the strategic plan to accomplish these goals. During this school year, the administration, faculty, and staff worked diligently to improve campus safety. One way this was accomplished was through the implementation of ALICE training. ALICE stands for Alert, Lock Down, Inform, Counter, and Evacuate. This program provides the latest research-based skills to teachers and students to react to a variety of emergency situations. The campus security was also improved through the installation of a secure entry system in the front office. The Manhattan Beach Police Department as well as independent security firms have affirmed the physical campus security as well as the emergency plans in place.

The faculty and staff of AMS have continued professional development efforts to improve the academic program. During the 2018-2019 school year, teachers worked in professional learning communities to develop a growth mindset for learning, especially in the area of mathematics. Growth mindset aims to empower students with the belief they can accomplish anything with hard work and persistence.

Many thanks to the 2018-2019 School Board members for sharing their time and special talents with the American Martyrs School community. Thank you to Dr. Friel and her administrative team for their leadership, the faculty and staff for their dedication to our students, AMPA, and all the members of the American Martyrs community for their countless hours of volunteering. These collective efforts make the success of our school possible.

Sincerely,

Kristopher Knowles
2018-2019 School Board President
Dawn Cooper: 30 Years

This past June, Mrs. Dawn Cooper celebrated her 30th year of service to American Martyrs School. Born a third generation San Franciscan, Mrs. Dawn Cooper began her life in Catholic education when she entered St. Monica’s Elementary School in Kindergarten. Her next stop was Star of The Sea Academy for high school. She left “The City” to enter the Sisters of St. Joseph of Carondelet, where she earned her B.A. with a major in History and a minor in English from Mt. St. Mary’s College. Mrs. Cooper also began her 56 yearlong journey that is ending after the 2019-2020 academic year with 31 years spent in service to American Martyrs School. For 54 years, she spent her time as a teacher, grade level coordinator, vice principal, or principal in the Archdiocese of Los Angeles. For two years she was in a school in Tucson, Arizona.

After 11 years in community, Mrs. Cooper made a major life change and decided God had other plans for her, but she continued her career in Catholic schools. Along the way Mrs. Cooper married, had two children: Lennon and Brígida, and 3 grandchildren: Dominick, Adriana, and L.J. Dominick graduated from Martyrs in 2016, Adriana is in first grade, and L.J. is in PONY.

During summers home in San Francisco, Mrs. Cooper completed a M.A. program in Catholic School Administration from the University of San Francisco.

Mrs. Cooper first experienced life at Martyrs as one of the 6th and then 5th grade teachers from 1970-72. She made life-long friends and began teaching generations of some families. Mrs. Cooper returned in 1991 and filled several different roles over the years until 2012 when she left the classroom and filled the position of Curriculum Coordinator. Mrs. Cooper has loved her years at American Martyrs. It is family in many ways. She sees students she taught bringing their children to assembly each morning, and has forged relationships with others who have returned to Martyrs as teachers or aides. AMS is a very special place, and Mrs. Cooper is privileged to have been part of its fabric for so many years.

This past June, Mrs. Dawn Cooper celebrated her 30th year at American Martyrs School and 51st year serving in the Archdiocese of Los Angeles. Mrs. Cooper has served in a variety of roles across the Archdiocese including principal, vice principal, grade level coordinator, teacher, and curriculum coordinator.
EMMA earned her SLE when she saw a kindergartener who was crying during Extended Faith Family (EFF). She immediately went to the kindergartener to comfort her and never left her side during the whole EFF. Emma’s homeroom teacher shared the following about Emma:

“Emma does a great job shining Christ’s light in our classroom. She is a caring and empathetic friend, always offering to help her classmates with classwork, organization, or anything else they might need.”

BO was nominated for his SLE for singing every word of every song at Mass. Bo’s homeroom teacher shared:

“Bo is a very bright, intellectual, and inquisitive student who brings those qualities to Faith Formation class every day. Bo has an active and inquiring mind, and truly seeks to understand how God works in both the natural world and in one’s personal life. I can always count on Bo to listen and ponder whatever we are encountering in Faith Formation class.”

ALAYNA received her SLE for Excellence because she puts meticulous detail into all of her work and truly takes ownership of her learning. She is often the first to be ready in transition, helps other students stay on task, and leads group discussions. Her questions are on-point and set a good example for her classmates. Her teacher shared:

“Alayna has taken a leading role in her book club. She shows leadership and responsibility by guiding many of their discussions, and has insightful comments to offer about character and plot development. She makes certain that she is prepared for each class and test. These are skills that the other sixth graders should be following, that will surely help her transition to the seventh grade.”

FINN and HUDSON saw some Ponies who were playing tag, and realized that they were not playing by the rules. Finn and Hudson reviewed the rules with them and showed them how to play the right way, playing with them to model good sportsmanship. Their homeroom teacher shared:

“When I think of Hudson, I can’t help but be reminded of the quote from the Bible, “Be you doers of the word and not hearers only.” Whether he is helping out a friend, a teacher, or a student from another class, Hudson’s actions are always done with great concern and care for others.

Finn has a heart of gold and is constantly thinking about the feelings of others. In first grade, we are currently learning about why we have rules and the importance of following them. Finn took time out of his recess to teach the Ponies how to play a game by the rules, keeping things safe and fair for them.”

Peter is such a wonderful student and person. He lives his faith by his daily actions. He goes to Mass because he loves his faith, and takes pride in being an altar server. He is happy, positive, and always willing to be of service to anyone.”

CARLY was nominated because when one student was saying unkind words to another, Carly stood up for the other one to stop being unkind. Carly’s teacher shared:

“Carly could have easily not said anything or ignored the situation, but instead she showed compassion and mercy to her friend, just like the Good Samaritan. She took care of that person by helping and standing up for her. This is just one example of the beauty that is in Carly’s heart. I believe she truly strives to live the life that Jesus modeled for us: one full of love, care, and thoughtfulness of others.”

Marty was nominated because he realized that he had not followed Chromebook directions after they were given, and took it upon himself to let me know. His teacher shared:

“Marty has embraced not only Integrity, but all four of our SLE’s here at school. Marty is always up for a challenge, enjoys problem solving, asks lots of questions, and will chat with his peers about anything and everything! It’s never easy admitting when you’ve made a mistake or possibly made a poor choice, but he shows great integrity and character when one is able to do so.”

JAKE received his SLE because after rainy-day lunch in a classroom, Jake was the only student to stay behind and clean up the mess. His homeroom teacher shared:

“Jake is outgoing, gregarious individual who has a kind heart and offers help whenever he sees a need. He is the first to volunteer and the last to leave when a job needs to be done. He shares his faith in class and is a good leader in his Extended Faith Family.”

It’s never easy admitting when you’ve made a mistake or possibly made a poor choice, but he shows great integrity and character when one is able to do so.”
Reflecting on the 2018-2019 school year, this quote resonated. The AMS community continually rises to each and every call for volunteers, and strives to do and be better in service of our children. AMPA is grateful for the many families that support our efforts to fundraise and attend community building events. We are especially thankful to those who chair events, fill leadership roles, and to the many that go above and beyond their parent service commitment by taking on multiple services. From Donut Sundays to Catholic Schools Week, and everything in between, our school parents can always be relied upon to be the cornerstone of our school.

In 2018-2019, we had several major fundraising events: 2nd Annual Movie Night, Parent Party, a reimagined golf event, and Sophisticated Snoop. Through the continued support and dedication of the AMS community to these events, AMPA was able to give $130,000 to help offset the operating costs of the school. Thank you for your commitment to AMS and Catholic education.

With Gratitude,

Jessica Sorrentino
2018-2019 AMPA President
As Catholics, we are called to share the blessings given to us with others. At American Martyrs School, we are fortunate to be part of a community in which time, talent and treasure are ever present. Volunteerism and parent involvement are the lifeblood of AMS and integral to the many programs across campus that enhance the life of our community. The generosity of our families and friends further strengthens our programs and our ability to fulfill our mission to provide the foundation for our students to become compassionate Catholic leaders of the future. We thank all those whose selfless philanthropy has helped to further strengthen our school and advance AMS.

The Annual Giving Campaign provides immediate unrestricted, budgetary support for all of American Martyrs School’s operations and particularly for the hiring and retention of excellent faculty and campus environment enhancement. Tuition alone does not cover the full amount needed to run AMS each year. Our goal this year was **100%** participation and we received donations from **58%** of our AMS families.

We would like to thank all our parents, grandparents, faculty, staff and friends whose support of AMS through this year’s Annual Giving Campaign resulted in raising an impressive **$574,053**!

### Community Building Events

- **2019 5K Run**
  - **Chair:** Brian Tinker & Billy Crader
  - **Held:** February 23rd
  - **Raised:** $33,087

- **2019 Spring, Sports, and Spirit**
  - **Chair:** Carrie Hayes & Robert Nickell
  - **Held:** April 2nd
  - **Raised:** $39,796

- **2019 Home Tour**
  - **Chair:** Deb Walmer
  - **Held:** May 17th - 19th
  - **Raised:** $84,869

- **Dine-Out & Shopping Events**
  - **Chair:** Susan Wildes
  - **Raised:** $742

- **SCRIP**
  - **Chair:** Anne Riordan
  - **Raised:** $100,000

- **Spirit Wear**
  - **Raised:** $1,695

- **AMPA Parent Party**
  - **Chairs:** Megan Acuna & Joy Hryniewicz
  - **Held:** February 23rd

- **Christmas Market**
  - **Chairs:** Jen Caras & Beth Rager
  - **Held:** December 3rd & 4th

- **Movie Night**
  - **Chair:** Patrice Eitner
  - **Held:** October 5th

- **Catholic Schools Week**
  - **Chairs:** AMPA Board
  - **Held:** January 27th - February 2nd

**Goal:** 100%

**Participation:** 58%

**Raised:** $574,053
AMS Scholarship Fund

American Martyrs School firmly believes in ensuring access to Catholic education regardless of financial ability. Our school has a long-standing tradition of providing tuition assistance for families in need who strengthen and enrich our community. Historically, tuition assistance was paid entirely from the school’s operating budget. We would like to thank those families who also decided to contribute to this very important and necessary effort and helped raise a total of $62,150. This amount includes $30,000 from the four year anonymous pledge of $120,000 given in 2016. The Scholarship Fund helped support the following:

Advancement Event:
Grandparents and Special Friends Day

This year on May 10th we celebrated our fifth annual Grandparents and Special Friends Day. We welcomed grandparents and friends of AMS students to experience the amazing place that is our school. At this year’s event, we welcomed approximately 500 guests to campus to share faith-filled experiences and presentations as well as tours of classrooms and labs. Even though we had a little rain, a wonderful time was had by all!
