Re: Nutrition Services Lunchtime Pizza RFP Award

Nutrition Services accepted proposals for Lunchtime Pizza, to be included as part of its ala carte lunch offerings at District middle and high schools, on May 28. This Request for Proposals was conducted in accordance with applicable state and federal laws as they pertain to foodservice in schools.

The District received one proposal from Domino's Pizza. This proposal adhered to the unique nutritional requirements of school foodservice as well as to those applicable to the District's unique menuing at middle and high schools. Prices offered are listed below, and the Proposal Pricing Form submitted is included; complete copies of this proposal is available by contacting Nathaly Gibson at the Nutrition Services Office.

<i>Offered price per pizza</i>	Domino's
Cheese	\$7.25
Pepperoni	\$7.25
Sausage	\$7.25
Veggie	\$8.00
Hawaiian	\$8.00

Domino's offers for two varieties were deemed too costly and have been set aside as non-awardable. In the interest of variety in our ala carte offerings, we will continue to offer the remaining three lowest priced options.

The total projected (approximate) expenditure on this subsection of Nutrition Services procurement is \$83,000 for the upcoming school year.

We seek approval to award purchasing agreements to Domino's for the cheese, pepperoni, and sausage varieties, in the amount per pizza listed. The precise purchasing rotation per weekday will be determined by Nutrition Services staff such that we favor the lower-priced offers and provide adequate business to properly manage their respective input inventories.

These agreements will remain in place through the end of the 2019-20 fiscal year on June 30, 2020.

Thank you for your attention to these award recommendations; please contact me with further questions.

Best Regards,

Sheila Keim
Nutrition Services Director
