From Mrs. Hermes, the Principal...

Greetings parents and guardians! We are looking forward to a fantastic school year! We have several new things to bring to your attention.

First, Blake Primary is now participating in a contact system called "One Call Now." This allows us to send important reminders and emergency notifications via text, phone, or email. Please make certain you have the correct information on file in order to receive these notifications. You can also opt out at any time. An example of a notification you may receive is reminders of open house and/or if our school goes into an emergency lock down.

Blake participates in PBIS. PBIS is a positive behavior program that works very hard to focus on students making positive choices and being respectful, responsible, and safe. We do use reward systems such as Blake bucks (to purchase items at our Blake store), classroom parties, or extra recess time (just to name a few). Don't be surprised if you hear your child talk about PBIS and being responsible, respectful, and safe. Please also take advantage of our ParentVUE system. It is on our school website under the "parent" tab. This gives you 24 hour access to your child's grades and information.

Thank you for your partnership this school year.
