responsible citizens and life
long learners."*

March 27, 2019

Dear Parents of Children Attending Catena School:

I am pleased to provide you an update relative to the district's progress on remediation and replacement of the gym floor. The bid for the remediation project has been awarded, and the vendor is a large, experienced firm. On site preparation for the remediation project will begin approximately two weeks before the last day of the school year. Then, remediation will begin the next day. Replacement of the floor will occur after remediation concludes and is expected to be completed prior to the first day of school in September. We anticipate having bids received for the gym floor replacement in the next few weeks.

Thank you for your continued support as we experienced several inconveniences with the inability to use the gym. If you have any questions, please do not hesitate to contact me.

Sincerely,

Neal Dickstein
Superintendent of Schools
